

Paston Barn: Corrigendum

ANTHONY ROSSI

In my article, 'A Tale of Two Barns: Paston and Waxham', in the *Transactions*, Volume 56 (2012), the numbering of the roof trusses on the plan of Paston Barn was inadvertently reversed (p.40, Fig. 6). A corrected plan is appended. Also, near the foot of page 39, the words 'south to north' should read 'north to south'.

Paston (Norfolk), revised plan of the barn with the roof trusses numbered from north to south.
